

WE TAKE ACTION FOR SYRIAN REFUGEES. JOIN US!

We are organising an action for Syrian refugees and need your help! We would like all Syrians to come and join us on Thursday 3 July at Place de la Monnaie in Brussels.

WHAT IS IT ABOUT?

Did your brother, sister, father, mother, grandmother, grandfather... stay behind in Syria or in another country and cannot join you? Or are they with you now, but you had to miss them for a long time because of the war?

Then come to the manifestation and take a picture of them with you! With all these pictures we will show to the Belgian authorities that a lot of Syrians are still forced to live separated from their families because of the war in Syria.

WHY THIS ACTION?

It is time for Belgium to take action to reunite Syrian families. Right now the Belgian political parties are negotiating about who will participate in the new government. We want to call on them not to forget their responsibility towards Syrian families during their discussions. A sentence in the next governmental agreement can literally change their life.

IN SHORT

Do you come from Syria? Is your family still there or did they stay behind in another country? Is your family with you now but you have been separated for long time due to the war? Come to the manifestation and take a picture of your family with you! You can also send the picture to Kristien@vluchtelingenwerk.be, we will print it for you.

You are not from Syria, but you also want to give Syrian families a place in the governmental agreement? Come to the manifestation and wear a black T-shirt.
